

## A Smile

Happy Holidays, My Friend.  
Please have a great day.  
May you have health and blessings  
As you travel life's way.  
Will you do me a favor?  
Will you help those in need?  
Sometimes just a smile  
Can plant the first seed.  
A small act of kindness  
Can do wonders, you know?  
Just think of a seed  
And a flower that grows.  
There are Strangers we meet  
Who are starving for love  
And the smallest kind deed  
Sends a sign from above.  
When you smile at a Stranger  
Or just say, "Hello".  
God will use it to bless them -  
Wherever they go.  
So remember the next time,  
When someone smiles at you,  
God is sending "you" a blessing  
For the kind things you do.

Have a Great Year and "Smile"!
