

Behind Every Dark Sky

**As the darkness of night approaches and the sun disappears,
Your heart is filled with sadness and your eyes are filled with tears.
The memories of your "Loved One" and the nights that you shared,
Are replaced with emptiness and the thought of how he cared.
Did you ever stop and wonder just what the darkness means?**

**God does not want to hurt us. Put your faith in the unseen
Put your trust in God above and in time you will see,
That behind every dark sky there's a soul flying free.**

**On the other side of life the time is standing still.
All pain and sorrow leave us for this is our Father's will.
Your "Loved One" is at peace now, so dry your tears away,
Because before you know it,
You'll unite again one day.**
