

### **Come to Me**

**There's thunder in the distance and the rain is coming soon.  
Think I'll find a music station that can play a mellow tune.  
I feel out of sorts today and I don't know what to do.  
It seems like only yesterday that God called out to you.  
He took you home to heaven so your pain would now be gone.  
I'm happy that you are okay, but I feel I don't belong.  
I miss the times we shared together. I miss your gentle touch.  
I miss the days we couldn't stop laughing. I miss you oh so much.  
I wake up when the sun is shining and fall asleep in the dark night.  
I sometimes think I see angel wings reflecting heaven's light.  
I know one day I'll be with you. I know one day I'll see.  
God will say when I least expect it, "Come... come to me!"  
Until that day I'll walk in faith and live my life for you.  
I'll find the laughter through my tears in the things we used to do.  
Please always know I miss you so and I look forward to the day,  
When I can see you face to face and you can hear me say,  
"I love you!"**
