

Merry Christmas from Heaven's Roll Call

Gift of Love

Soon it is Christmas. What a joy it will be.
It's a day we can share God's gift with many.
The gift? You can't see it or hold in your hand,
But it's the gift Our Father gave us and it's what He had planned.
The gift comes from the heart and it's sent from above,
Because the meaning of Christmas is to share all God's love.
It's a gift you can cherish and it won't go away.
You can keep it with you always so believe every day.
I send you love from our Savior. I give Jesus to you.
I pray you will accept him and let his Light shine through.
Have a very blessed Christmas. Give the gift of the heart.
Share God's love with our nation and an epidemic will start.
You see love heals every heartache. It can feed all the poor.
It can help unemployment and our government restore.
It's the answer to everything. It's God's gift from above.
Now rejoice! Jesus is coming! He is God's great Gift of Love
