

God's Little Angel

**A little "Angel" came to earth one day.
She gave only love. Then she went away.
Don't ever forget the love she brought,
Her bright happy smile
And the lessons she taught.
It's hard losing someone
Who gives only love,
Then goes back to heaven
To her Father above.
Remember her always,
There's no other way
And know in your heart,
You'll be with her one day.
But for now, share the love
And continue to say,
"Thank you, God, for my "Angel"
Who has gone away.**
