

## I Couldn't Stay Long

You planted me, Lord, in the womb of my mother  
And let me know love unlike that of another.

I couldn't stay long, but I'll never forget,  
The way Mom and Dad took care of me yet.  
Please trust in the Lord and soon you will see,  
To some that's a lifetime that will never be.

God must of loved us an awful lot  
To let our souls touch though our arms could not.

I have to go now,  
But know I'm okay.  
Remember, I love you  
And I'll see you one day.
