It's Called Love

Christmas will soon be coming. It's our time to take a stand.
Don't let the world try to destroy it's meaning.
Let's all unite and give God a hand.
You can see Jesus in the hearts of all children.
You can find peace in the dark sky at night.
If you are alone and you're filled with much sadness,
do not grow weary. It will all turn out right.
Wish those you meet a "Very Merry Christmas"
and as they pass add, "and a Blessed New Year!"
May our Father wrap His loving arms around you
and when life is hard may you know that he's near.
Don't spend hundreds on the toys with no meaning.
Give from the heart only things that will last.
It is free and God wants you to share it.
It's called love and it's something you pass.
It takes only a hug or a smile just to share it.
Give of your time to all those you love.
Let us reach out to a world that is hurting
and show them Jesus in heaven above.
Don't let anyone deny you God's blessings.
Don't let the world take Christmas away.
Yell it from the roof tops - "Have a Merry Christmas"
and then wish Jesus a "Happy Birthday!"
