

**I am the resurrection and the life. The one
who believes in me will live,
even though they die
John 11:25**

Many Precious Memories

**Come, My Child. We'll cry together. I know the pain you're going through.
Please know my arms are always open. You're not alone. Let me comfort you.
There are no words to explain this tragedy. In earthly terms, it can't be done.
The world is filled with pain and sorrow, but here in heaven are the souls I've won!
I was with your loved one the day it happened. The body died, but his soul's with me.
He's now in heaven and walks with angels. When your time comes you, too, will see.
The days ahead will be filled with heartache, but I will stay right by your side.
I'll send you many precious memories in exchange for every tear you've cried.
I know the sadness when you lose a son. My own son died many years ago.
He conquered death and ascended to heaven to show all souls the way to go.
One day you'll see him waiting for you as he comes to bring you home to Me.
Now live the life that I planned for you. You're not alone. I'll walk with thee.**
