

Merry Christmas and a Blessed New Year!

Merry Christmas, Jesus!

Merry Christmas, Jesus! Thanks for all you do.

You are our precious Savior and our love we give to you.
Please help us to share your love in the coming New Year.

Let us take time for others whether far or if they're near.

Don't let us forget those who are hurting deep inside.

Some may be ill or others have family who have died.

There's a void when you lose a loved one

Or a trusted friend.

Although they're safe now in heaven,

Their earthly life comes to end.

Help us remember to hug every person that we meet.

Smile and be cheerful to all the strangers we may greet.

The most important thing this Christmas

Is to show the world God's love.

Do it for Jesus and our Father above.

Merry Christmas to You and Yours.
