

Search Your Heart

**I'm sorry for the pain you bear. I know you wanted me to stay,
But I went to heaven to be with God so I'm not that far away.**

You can't imagine what it's like to finally be set free.

Pain and sorrow exist no more and Jesus talks with me.

I cherish that you were my Mom and I hope you feel my love.

One day I'll wrap my arms around you,

When you're with me up above.

Always know I love you, Mom, and I want what's best for you.

Live your life to honor me by what you say and do.

Jesus sends you all his love and he's with you everyday.

Talk to him the times you're sad. He'll help you find your way.

I have to go, but always know,

There's a bond we'll always share.

Have a Happy Mother's Day.
