

Thank You, Heavenly Father

**Thank you, Heavenly Father, for giving us this day.
The sun may not be shining, but you will lead the way.
We all have heartaches and trials we must bear,
But we can trust in Jesus and know he will be there.**

**He is our strength so we need not fear.
He is our light when the future's unclear.
He is our helper in every trial we face.
He is our refuge and offers us grace.**

**Thank you for your strength the times we are weak.
Thank you for your hope when the future is bleak.
Thank you for your light when the days are dark ahead.
Thank you for your peace in times of utter dread.**

**Most of all I want to thank you for my family and my friends.
Let them know how much they mean to me before this day ends.
Please tell them just how special they are to me each day
And how I pray for their safety and love to come their way.
Shower them with your blessings and help them all to see
How much you love us, Father, when we walk next to thee.**

Happiest of Thanksgiving with Love to You and Yours!
