

The Bigger Picture

**I know inside you're crying
and it's so hard to understand
why God let sorrow tear apart
the life that you both planned.**

God sees the bigger picture and you only see the past.

**If you knew how much God loves you,
then you'd know this world won't last.**

**Death is the door to God's own world
where all pain and sorrow cease.**

You loved one's soul is finally free so be still and be at peace.

**Though our reward awaits in heaven,
your loved one will now see,**

how gracious is our Father and how life's supposed to be.

**The times when your heart is breaking
and you don't know where to go,**

**just close your eyes and say a prayer-
then His love you're sure to know!**
