

**You Are...**

**You are my sunlight in the morning and you brighten all my days.  
You are the star filled sky at night and you chase my fears away.  
You are the laughter in the heartache. You are my blue sky in the rain.  
You are my knight in shining armor and my protection from all pain.  
You are the song that sings within me. You are the beat within my heart,  
Because you make my life worth living may we never be apart.  
You are the prayers that now are answered. You are the dreams now come true.  
You are my gift that God has given and my heart belongs to you.**

**I will love you in the darkness  
When there's no one else around.  
I will hold you up and keep you  
So you never hit the ground.  
I will turn your tears to laughter.  
I will never leave your side.  
For you are my piece of heaven  
And our love can't be denied,  
But there is one thing I will not do  
No matter what you say -  
I will never stop my love for you,  
Because I'm here and here I'll stay.**
