

You Can Believe

**Be still now, Honey, and close your eyes.
The peace will come and your tears will dry.
Please know I love you and I'll be here.
God loves you, too, so do not fear.
It's hard to understand why there is earthly pain,
but know in heaven it won't remain.
Earth is just a practice run.
There may be pain, but there's always fun.
Run to Jesus when you need a friend.
His arms are open and his love won't end.
Jesus is with you both day and night,
so don't be afraid or be uptight.
Things will turn out for your good.
You can believe, because God said they would.
Goodnight, precious one. Sweet dreams to you.
I love you so much and Jesus does, too.**
