

You "Will" Make It

Merry Christmas to you and those you love
And I pray you will always know
That there's a God in heaven who's on your side
And he'll never let you go.
You're the reason Jesus gave his life
And he suffered on the cross.
God gave his son to die for you
So not a person would be lost.
Can't you see how much he loves you?
Don't you know how much he cares?
All he wants for you are good things,
But you must trust him to get there.
He doesn't cause the trials you face
Or the pain you're going through.
If you could see the bigger picture,
You'd know it's your Father loving you.
Now hold on your day is coming
When you'll see all that he has planned.
Then you'll know just why it happened -
Only then you'll understand.

Now smile! Your life's just starting.
You will make it through the pain.
You see God is like a Gardener
And you're his flower in need of rain.
