

Your Healing's Begun

**Today is the day your healing's begun.
Though the battle was long the war has been won.
Each day God will give you the strength to move on
And each hour that passes he will make you strong.
May you know of His mercy and find peace in each day.
God is behind you and it is there He will stay.
God will show you the dreams
He has waiting for you.
Yours were to small
So these are brand new.
Now rest for awhile,
Your dreams are at hand.
Just stay in the faith
And see what God has planned.**
