

### **Your Soul Is Free**

**Being long remembered  
He's hanging from my soul.  
He's with our Heavenly Father now.  
Alas! He's finally whole.**

**The fear, the pain, the suffering  
Has finally gone away.  
The tears that fell like rain  
Are replaced with sunny days.**

**Oh what a joyous feeling  
To know you're safely home.  
Your soul is free in heaven  
And with angels there you roam.**
