

### **A Very Special Man**

**Quitting work can be a good thing,  
When you stand up for what's right.  
You'll know when day is over  
And you're able to sleep at night.**

**It takes a very "special" man  
To commit to his beliefs.  
Then takes a stand and says, "Enough!"  
Letting others to bear the grief.**

**Don't ever forget the meaning  
Of the life God's given you.  
Though you need to pay the bills;  
It's not the only thing to do.**

**It's love of one's own family.  
It's unconditional deeds.  
It's the caring of others.  
It's the providing of their needs.**

**So what this poem is saying,  
Is that God's so proud of you.  
He wanted me to tell you  
So that you would know it, too!**
