

Come On In

**Look over there!
Do you see the light?
There's a Friend waiting for you
And He's calling you tonight.
He'll welcome you with open arms,
Regardless of your sin
And love you more than words can say
So won't you come on in?
Leave your heartaches at the door;
He'll sweep them all away.
He'll tell you of the plans he's made
To help you on your way.
God is the Light you're looking for -
Take a chance! He's calling you!
Your life will be changed forever
So won't you come on through?**
