

Each Day Is Like Heaven

**Today I take the leap of faith with no pretense on my part.
I love you. I need you and I give you my heart.**

**I ask you to give me
Your hand in my hand,
As I look in your eyes
And hope you'll understand.
God says you're my soul-mate
And He wants us to be
United in life and to live happily.
I want to ask you a question.
Take your time - don't despair!
"Will you marry me, Honey,
And build a life we can share?"
I will not set a time limit
Just when your answer must be,
For each day is a lifetime
That's between you and me.
Happiness can't be measured
With two words like "I do",
Because each day is like heaven
When I'm here beside you.
So please don't feel pressured
When I ask you again -
"Will you marry me, Honey,
Forever and ever
Amen?"**
