

God's Golden Rule

**A lesson was taught by a teacher today.
She gave her life so a young child could stay.
The news will spread of her heroic act,
But you must not lose sight of the real fact.
Shannon showed us the greatest gift we can give
Is to lay down our life so another can live.
Without concern for herself she gave her love.
Her real reward awaits in heaven above.
You won't find her name in any history book
Or in a magazine because of her looks.
Instead every time you drive by a school
Remember Shannon and God's Golden Rule -**

Love One Another.
