

God's Money

When bills are high and funds are low...
When you owe far more than you'll ever sow...
When you ask for help to know what to do...
Stop and look up! God's been waiting for you!
The Bible says you must give to receive.
It's only 10% of God's money to leave.
If you tithe with your money, your time and your heart,
It will open the door for God's grace to start.
Give God 10 % and soon you will find
A peace that will surpass the stress of any kind.
Remember it takes rain to make a flower grow.
Now give back what is God's so you'll reap what you sow.
