

Happy 2014

**2013 will soon be ending with the New Year up ahead.
Have you made new resolutions now that the old ones will be dead?
You probably want to lose some weight
and catch up on the bills past due.**

**Then you can write down some unknown things
that only make sense to you!**

**How about this year if we all agree to set our own resolutions aside?
Let's think what God would want for us and with these we will all abide.
It's up to you, but there are only two and they both have to do with love.
The 2nd one is to love your neighbor and the 1st is to love God above.**

You see... love is the answer to every question.

It's the beginning that has no end.

It's all that's good within this world. It's your One and only Friend.

When you're alone, it can fill the void.

There is nothing that love cannot do.

It's the reason our Savior came down to earth.

Then died for me and you.

So in 2014 let us walk in faith and share all the love in our hearts.

Have a blessed, safe and Happy New Year.

It won't be long before it will start.

Happy 2014 to You and Yours!
