

I Finally See

**The sun has set and it's time for bed.
I tuck the pillow beneath my head.**

**In the darkness I can hear God say,
"Sleep well, My Child. I blessed your day.**

**I never stopped to really see
The blessings God has given me.**

**I get wrapped up in the work I do,
The stress overwhelms me and the traffic, too.**

**Today is the first day I change my ways.
No more will Satan rule my days.**

**I choose God and you from this day on.
The work won't matter if you are gone.**

**Please know I am sorry for ignoring you.
I promise to change the things I do.**

**You are the "blessing" that God gave me.
Goodnight, my precious. I finally see.**
