

I Love Jesus

**I love Jesus.
Yes, I do.
He loves me
And loves you, too.**

**Let us bow our heads
And pray
To keep us safe
Throughout the day.**

**Jesus, Jesus,
You're the best!
You give me life.
You give me rest.**

**Then at night
If it's his will
To keep his arms
Around us still.**

**No one
Will ever be like you.
Thank you, Jesus,
For all you do.**
