

## I Thought I Knew

I'm here, God. I know you're with me, too.  
Life has been so hectic with all I'm going through.  
You've given me the strength I need to make it through each day.  
There were times I thought of giving up and even walk away.  
You showed me, Lord, you're in control and want what's best for me.  
That's why sometimes you slow me down before you let me see.  
I missed so many things in life, because I thought I knew.  
I thought if I tried hard enough my dreams would all come true.  
Do this. Do that. Don't waste a minute of the day.  
Go here. Go there. Then write out bills to pay.  
Call him. Text her. Where did the I-Pod go?  
Sleep fast. Wake up. It's so hard to take it slow.  
You planted a dream within my heart, but it takes love to make it true.  
All the money in the world has no meaning without You.  
I've learned to focus on things that matter and less on things I see.  
Money can only go so far, but it's not a part of me.  
So tonight before you say your prayers,  
Raise your hands towards the sky.  
Then thank the Lord for loving you  
And let your money worries say goodbye.
