

I'm Alright

**My time was short here on earth, but I want you all to know
that I'm with our Heavenly Father now
where I'll laugh and play and grow.**

**I know how much you miss me and I know you cry at night,
but I need you to remember
that everything's alright.**

**God never hurts His children. He just kept me from more pain.
Then He let you keep my memory
so you'd know His love remains.**

**At night when you lie in darkness and the pain overwhelms your heart,
please know I'm always with you
because our souls do not depart.**

**God keeps them safe in heaven where one day we'll all unite,
but for now let God embrace you
with His arms around you tight.**

**I love you and I'll miss you. God is great and I'm alright.
When you see my star in heaven,
it's my wings reflecting light.**
