

## **My Hero**

**Even though you are with Jesus,  
it's so hard to let you go.  
You were my Mom... my closest friend...  
and most of all - My Hero.**

**The times my life was at it's lowest,  
you always knew just what to do.  
You would wrap your arms around me  
and softly whisper - "I still love you!"  
I hope you know how much you helped me  
by the example that you set.**

**No one else can take your place, Mom.  
I am forever in your debt.**

**I am proud to be your daughter  
and I'm so happy you married Dad.**

**You both are the best parents  
that a girl has ever had.**

**We all will see you one day in heaven,  
but 'til then please always know -  
there's still a part of you inside us  
and through our hearts we'll let it show.**
