

My Prayer for You This Christmas

**As Christmas soon approaches and the meaning becomes clear,
It's a time for giving of ourselves to those far away and near.**

**With the horror that we saw that sad September day,
Our hearts are still in mourning for the dreams that went away.**

**In no way should we forget those that died and now are free
For their souls are safe in heaven and their pain no more will be.**

**My prayer for you this Christmas is to know our Father's love.
May he bless you and your family and send you riches from above.**

**May he comfort every heartache and hold you in his arms,
Then at night when it is darkest, may he keep you safe from harm.**

**May you live life to the fullest and learn by your mistakes,
So when the day is over, you're at peace and not awake.**

**May you never take for granted that you'll have another day
To tell someone you're sorry for the things you meant to say.**

**So now you know the meaning of the poem I'm sending you.
God's using me to thank you for the kind things that you do.**

You may never make the papers or the news on Channel 5,

But in God's eyes you are "Special"

And I'm so glad that you're alive!
