

**Thank You!**

**Thank you, Father, for all you've done.  
You've given us life through the gift of your Son.  
You share your love each and every day.  
There is never a time you will turn away.**

**You give rest to the weary  
And offer hope to the lost.**

**You fight our battles no matter what the cost.  
Where there is turmoil, you offer us peace.  
When there is bondage, you give us release.  
In times of heartache, you are always near.  
With your arms around us, you dry our tears.**

**I love you, Father, and I pray you'll see  
That the words, "Thank You," aren't just from me.  
There are people all around who share this love  
So today we send it to you above.**

**With the multitude of angels  
We bow our heads and say,  
"Thank you, Father, for giving us this day!"**

**Happy Thanksgiving to You & Yours!**
