

## The Gift of Jesus

A love story was written a long time ago.  
It was about the birth of a baby in a manger so low.  
Shepherds and kings walked from afar,  
Because up in the sky was a bright shining star.  
Word of a Savior spread throughout the land,  
Though Mary and Joseph didn't understand.  
"Why us?" They wondered as they looked on the face  
Of this beautiful baby given by grace.  
Just like Mary and Joseph - God chooses you.  
It makes no difference what you may do.  
God needs all of us to lend him a hand.  
There is so much turmoil in our great land.  
Share the love God planted deep in your heart,  
Because it's there where Christmas had its start.  
Let go all bitterness if only for this day  
And send Satan packing to be on his way.  
See the good in every person. Let go the pain you bear.  
Give Jesus as your present. Show others that you care.  
Life is short. Look around you. Tomorrow's not a guarantee.  
You have today to make a difference with your friends and family.  
Reach out and feed the needy. Be friendly to those you meet.  
Share a smile with a stranger. Drop some change on the street.

Have a very Merry 2016 Christmas! May God bless you all year through.  
Give others the gift of Jesus, because he is my gift to you.
