

The Little Things

**God will notice the smallest act
And the kindness that you show.
Others may ignore it,
But God will always know.**

**Don't worry about the little things.
God knows what's in your heart.
If your work is not acknowledged,
Stay strong and do your part.**

**You are a blessing in God's own eyes
So give your job your very best.
Your reward waits for you in heaven.
Now put your fears to rest.**

**Tomorrow starts a brand new day.
God made it just for you.
Keep the faith. God's in control
And he will see you through.**
