

The Lucky One

**Your loved one is the lucky one, because he's here with me.
He now walks the streets of gold where all pain and sorrow flee.
So when a memory comes to mind of a time that you both shared,
just smile and say, "God bless my day",
then remember he was spared.**

**He'll never hear a drunk driver killed a father and his son
or a child was killed by evil hands when they aborted one.**

**He'll never hear a shooting killed a woman in the street
or a child was raped by a trusted friend
and is afraid of those he meets.**

Death is the reward for a job well done.

It's God's grace reaching down to spare a loved one.

Be happy for those who are with our God above.

It's never a punishment but God showing his love.
