

The Signs of Christmas

**Without reaping there is no sowing...
Without pain there is no growing...
Without truth there is no showing...
Without God there is no knowing the love of Jesus!**

**White fallen snow beneath my feet.
Children laughing in the street.
Smiles from strangers passing by
As millions of stars light up the sky.
What a joyous way for this month to begin.
It warms the soul and heart within.
The signs of Christmas are everywhere,
When you take the time to show you care.**

**May the love of Jesus fill your heart this
Christmas and throughout your life.**
