

Today's the Day

**Today's the day you confess your faith
for all the world to see.**

**It's the day you confirm what you believe
and show Satan he should flee.**

**Life will offer many choices
and God lets us each decide.**

**You can choose to walk all by yourself
or let God walk by your side.**

**Friends will come and friends will go,
but forever God will stay.**

**He'll be there when you fall asleep
or begin a brand new day.**

**No matter where you go in life one thing is always true -
You're a child of the Almighty God
and He gave his life for you!**

**Gifts are presents you receive from friends and family,
but blessings are spiritual gifts from our Heavenly Father.**

**Congratulations on your Confirmation!
We wish you many, many blessings.**
