

You Have a Choice

**Too many hours,
Too little pay,
Too many insults,
Coming your way.
No one will smile.
Everyone frowns.
Turnover's high.
Moral is down.
Keep looking up
And soon you will see
A loving God
Is watching thee.
Keep on believing
He is aware.
When bad times come,
He remains there.
Your real reward
Still comes from Him.
Do let others
Make your world dim.
Ask yourself this -
Be sure that it's true,
Is this the place
God meant for you?**
