

### **Your Loved One's Now Safe**

**Come, my child. We'll cry together. I know the pain you're going through.  
Please know my arms are always open. You're not alone. Let me comfort you.**

**There are no words to explain this tragedy. In earthly terms, it can't be done.  
The world is filled with pain and sorrow, but here in heaven are the souls I've won!  
I was with your loved one the day it happened. His body died, but his soul's with me.  
He's now in heaven and walks with angels. When your time comes you, too, will see.**

**The days ahead will be filled with sorrow, but I will stay right by your side.  
I'll send you many precious memories in exchange for every tear you've cried.  
I know the sadness when a loved one dies. My own son died many years ago.  
He conquered death and ascended to heaven to show all souls the way to go.  
One day you'll see him waiting for you as he comes to bring you home to Me.**

**Now live the life that I have planned for you.**

**Your loved one's now safe...  
one day you'll see!**
